A. Newman, made a run yesterday to Dickey's and enlared one of his supervisors disperse.

A cyclic plant is a specific of the supervisors disperse.

And enlared one of his supervisors disperse.

The issue of permits to attend the public the seventh precinct and the whole town is apparently satisfied with the service. Two wagons are daily employed in the removal of garbage and it is with difficulty that full loads are obtained.

The psuc of permits to attend the public schools was returned this morning by the clerk of the school board. As most of the white schools for the present.

Inspectors Purvis. Carlin and Moore have to the white schools for the present, Inspectors Purvis, Carlin and Moore have made their inspection of the Alexandria juil and will report to the court today that the

prison is properly kept, but that some improve-ments should be made to the building. All the Alexandria pasters were in their pul-pits yesterday and a pleasant church going day Cardinal Gibbons visited St. Jerome's Cathogave large congregations to their ministrations.

The corporation court, Judge Norton, began
its September term at the market court house this morning. It will be occupied with the consideration of civil cases, TAKOMA PARK.

> Morning-Hope for Gas. special Correspondence of The Evening Star. TAKOMA PARK, D. C., Sept. 11, 1892. There is great rejoicing among the citizens here today because of the bright prospects of rapid transit between here and Washington in the near future, and also for the reason that the streets are soon to be illuminated with

Early this morning Contractor Gleason asrived here with a large force of men and before many residents had prepared breakfast the men were at work preparing for the construction of the electric road to be known as the Petworth,

An application made for a liquor license brought forth a protest from the neighbors and the sale of liquor was thereby prevented. In her own defense Martha said that she she is the ceream, soda water, watermelons and sandwiches.

She denied that she had any beer or other intoxicants.

On one occasion defendant said she had a watermelon party and she said that her place is closed évery night at 12 o'clock.

One witness against her said that persons were seen coming out of the place as late as 1 or 2 o'clock in the morning.

There was beer at her place Saturday, she said, that she got because she said she thought she had obtained her license, but the paper was only a receipt for the deposit.

On orcas-examination she said the paper was only a receipt for the deposit.

On orcas-examination she said the bear intoxicant for matthew wills—"'e are the said water of was for a wholesale license and she got two quarts of whisky with the beer, intending to the strong and she series there were service there persons was for a wholesale license and she got two quarts of whisky with the beer, intending to the strong and the sale of a truth I perceive that it is also observed that some little stir is being made by the third party and she said that persons were seen coming out of the place as late as 1 or 2 o'clock in the morning.

A NEW PASTOR.

Rev. Dr. Joseph Nicholas, the new pastor of Campbell A. M. E. Church, conducted his first which she had obtained her license, but the paper was only a receipt for the deposit.

On cross-examination she said the application was for a wholesale license and she got two quarts of whisky with the beer, intending to the strong and section are decimended in the leading political parties are missing no opportunity to enhance their chance of success during the coming presidential and songersional elections it is also observed that some little stir is being made by the third party and she said that persons the said that persons the said that persons the said that persons the said that persons th

The muddle in the recently organized school board of Howard county, just adjoining this county, has not yet been straightened out by any means, and the members of the old board, who contend that this new organization is absolutely without any legal life, refuse to give up the necessary books, &c., to allow the new board to proceed with business. It is expected that this matter will be taken to the courts for adjudication.
